14 JUL 1959

6. Received a call from [redacted] Office of Personnel, concerning S. 2162, the Health - Insurance bill of 1959. [redacted] advised that he had learned that hearings are to be held this week before the House Post Office and Civil Service Committee on this legislation without waiting for further action by the Senate. [redacted] requested that we keep him advised as to the date of the hearings in order that he might attend.
